"I successfully completed the 10th grade under the Central Board of Secondary Education (CBSE) curriculum with a remarkable **CGPA** of **9.8**."

TECH PROJECTS

PORTFOLIO SHOWCASE

This is my interactive portfolio with responsive design, animations, and web skills —featuring HTML, CSS, and JavaScript, plus user-friendly project filtering.
The project is accessible at: https://gnapikam-portfolio.netlify.app/

TO-DO LIST

A web-based task management tool with task creation, editing, completion tracking, and filtering options. Developed using HTML, CSS, and JavaScript, with local storage for data persistence.
The project is accessible at: https://gnapikam-todo-list.netlify.app/

TRIVIA CHALLENGE

This is a Quiz App which is a dynamic web app for testing knowledge. It features timed quizzes, score tracking, and a competitive leaderboard, making learning engaging and fun.
The project is accessible at: https://gnapikam-trivia-quiz.netlify.app/

FOOD MENU MASTER

Menu App is a React-based web application that displays a menu with various food items. Users can filter items by category.
The project can be accessed at: https://gnapikam-foodmenu.netlify.app/
